Udemy

EMPLOYMENT HISTORY

Jan 2023 — Present

Freelance Web Developer

Austin

- Completed a comprehensive web development certification program, acquiring proficiency in both front-end frameworks and back-end development.
- Developed and launched a personal web developer portfolio, showcasing a collection of diverse projects that demonstrate technical skills and creativity.
- Independently planned, designed, and implemented responsive and user-friendly websites, employing best practices and industry standards.
- Leveraged problem-solving abilities to overcome challenges and deliver high-quality solutions, focusing on optimizing user experiences and website performance.

Oct 2022 — Present

Personal Shopper, Hanna Andersson

Remote

- Delivered exceptional interpersonal skills, great customer service, and record-keeping skills in the growth of a customer base primarily through forming relationships with new customers and retaining existing customers.

Mar 2022 — Oct 2022

Reservationist, Hai Hospitality

Austin

- Consistently presented information thoroughly to avoid any miscommunication while exhibiting patience and willingness to strategically adjust verbiage to provide all available options.

Sep 2016 — Oct 2021

Visual Merchandiser, H&M

Beaumont

- Worked creatively and commercially to maximize sales by creating a sense of cohesion that was demonstrated through window displays, indoor mannequins, and garment presentations.

Nov 2013 — Apr 2016

Visual Merchandising Manager, Forever 21

Beaumont

- Optimized and executed floor sets, launches of new lines, and promotions while leading the visual team to maximize sales and visual impact through the arrangement of tables, fixtures, walls, and mannequins.

Jul 2013 — Aug 2016

Freelance Web Developer

Remote

- Utilized WordPress as the primary content management system (CMS) to develop and customize websites, ensuring seamless navigation and optimal user experience.
- Collaborated closely with clients to understand their requirements, translating their vision into fully functional websites that met their expectations.
- Implemented responsive design principles, ensuring websites were accessible and optimized for various devices and screen sizes.
